RE: UPDATED WORKFORCE INVESTMENT ACT TITLE 1 PY 2007 ALLOCATIONS

PURPOSE:

This memo is to inform the Wisconsin Workforce Development Boards (WDB) that the Program Year (PY) 2007 allocations to Dislocated Workers (DW) portion have been completed.

BACKGROUND

The Division of Employment and Training Administrator's Memo 07-01 indicated that only 85% of the DW available fund allocated to the WDBs due to an anomaly in the declining industries data in the labor market information database. The anomaly has been corrected in the programming, and the share for each WDB has been recalculated. The State of Wisconsin Department of Workforce Development, Division of Employment and Training (DWD/DET) has finalized PY07 all WIA Allocations. Please refer to the allocations in the attachment. The Dislocated Worker columns on the attachment have been updated. Allocation shares and dollar amounts under Adult and Youth categories remain the same as issued in Memo 07-01. Please note that all the allocations are subject to change if there would be any allotment rescission issued by the U.S. Department of Labor, Employment and Training Administration.

The release of the DW allocation will also affect the amount available in each WDB's administration grant. With the finalization of the allocations, most WDBs experience an increase in DW funds available from the preliminary issuance. Two WDBs remain at their hold harmless level.

POLICIES: All the policies or rules issued in Administrator's Memo 07-01 for PY07 WIA funding will continue to be effective.

ACTION SUMMARY STATEMENT: Most WDBs may expect more funds for Dislocated Workers program and its related administration.

DWD will issue contract addendums that reflect the attached allocations to WDB in near future.
