RE: Suspend Administrator's Memo 06-09 for Program Year 2015

PURPOSE:

This Administrator's Memo details the one year suspension of the Workforce Innovation and Opportunity Act (WIOA) 80% obligation required by Administrator's Memo 06-09 for local workforce development areas.

CITATIONS:

- Public Law 113-128, July 22, 2014, Workforce Innovation and Opportunity Act (WIOA), Sections 128(c) and 133(c)
- WIOA Proposed Rules Section 683.140
- Department of Workforce Development Administrator's Memo 06-09 issued May 31, 2006

BACKGROUND:

Under the WIOA Proposed Rules Section 683.140, the Governor may, after consultation with the State Board, reallocate youth, adult, and dislocated worker program funds among eligible local areas. The amount recaptured from each local area, if any, must be based on the amount by which the unobligated balance exceeds 20% of that year's program allocation, less up to 10 percent for the costs of administration. The amount recaptured, if any, must be separately determined for the youth, adult, and dislocated worker funding streams. Administrator's

Memo 06-09 (issued under the Workforce Investment Act but still in effect) exercises the State's authority to require that each WDB obligate at least 80 percent of its program year allocation by June 30, determined separately for the youth, adult, and dislocated worker programs.

POLICY:

Due to WIOA implementation and the reduced Program Year 2016 (PY16) WIOA formula allocations, the Department of Workforce Development/Division of Employment and Training is suspending DWD-DET Administrator's Memo 06-09 for PY15, thus allowing the WDBs to exceed 20% in unobligated balances for their youth, adult, and dislocated worker PY15 program allocations.

ACTION SUMMARY STATEMENT:

This policy is in effect for the period July 1, 2016, through June 30, 2017.
